

## **Christmas Bazaar**

One of the highlights of the autumn term for all the children has to be our Christmas Bazaar. Held this past Saturday it was as well supported as always with over 30 stalls, games and activities. Every inch of the school was awash with festive excitement, music and the smell of roast turkey and mulled wine.

Despite a fine weather forecast the School Choir were blessed with a sprinkling of snow during their opening carols - it seems like the Social Committee can arrange anything!

The monies raised will be donated to the School's chosen charity for the year - Autistica. A huge thank you to all those who make the Coworth-Flexlands Christmas Bazaar such a success. In particular to the Social Committee, local businesses who once again set up stalls to sell their wares and to those who contributed very generously to the Raffle. These included:
