

WEEKLY EVENTS

Last Saturday marked the start of Christmas for many, as it was the Coworth-Flexlands annual Christmas Bazaar.

The girls braved the icy white elements to get us all in the Christmas spirit by singing for us, then Santa arrived to thrill all the children and to declare the Bazaar open!

We had a record number of stalls this year and, as ever, the Class Reps did an astounding job. The mulled wine sold out and the turkey rolls were delicious! Well done Kate Keeling and her team

Zoe Thurkle would like to thank everyone on the Social Committee new and old! Once again we have beaten last years takings!!!! We made £5200.00. None of this could have been achieved without the sterling work from the Class Reps. **Thank you so much ladies.** We have aptly decided to put some of the money into a text messaging service for the school which will make school snow days and closures easier to convey!!!!
