Year 6 Bikeability

This week the girls in Year 6 have participated in the Bikeability Programme. Run by Surrey County Council, Bikeability is the Cycling Proficiency Test for the 21st century, designed to give the next generation the skills and confidence to ride their bikes on today's roads. The National Standard for Cycle Training, which underpins Bikeability, has been designed by the leading experts in the field of road safety as well as cycling and is delivered by trained professionals. Always fun, as well as informative, the feedback from the girls each year is extremely positive.

Year 1 and 2 Trip to Birdworld

Some of the children's memories of the day:

“On Friday we went to Birdworld. It was so much fun and this is how it began. First we went to see canaries. They were only babies. Then we saw flamingos. They were very pink. Then we stood on one leg! It was very tricky. We loved it. I can't wait to again because it was so much fun.” *Laura*

“...There was a parrot called Noddy. He was funny. He said ‘Hello children’...”
Lucy

“...I saw a peacock. It looked like it had 100 eyes...” *Olivia*

“...I saw lots of birds. Then we went in a maze. I got out! Then we ate lunch. I like Birdworld. We got on a coach...” *Sophie*

Ellie's Gift

Great news. We did the sponsored swim on Sunday 20th June and my team managed over 100 lengths. Here is a photograph of all the swimmers in the pool at the end. It was great fun but quite hard work. Thank you very much to everyone who sponsored and donated. I have raised over £400 for Great Ormond Street Hospital. Please may I ask that any outstanding sponsorship money, or donations be given to Mrs Brand. Thank you.
