

## BAGS OF FUN AT BOX HILL SCHOOL

At the weekend girls from Year 5 with an interest in fashion and design have accepted an invitation to Box Hill School to make a stylish bag in their fashion and textiles studio.

Six pupils have registered to take part in this activity.

The task is to use gemstones, fabrics, glitter and much more to create a personalized bag. The girls will be entertained to lunch and given their imaginative bags to take home. They are really looking forward to their day at Box Hill.
