

WEEKLY EVENTS

'Didn't we have a lovely time....the week we went to Devon!'

Last week, all the girls in Years 5 and 6 set off for Devon for their much awaited residential trip.

Early on Monday morning they headed off for PGL's Barton Hall which is very close to Torquay. The trip is primarily organised to support classroom work in both science and geography but includes outdoor adventurous activities as well. For many of the girls this was also a chance to experience some independence for the first time - in most cases this was the longest time they had been away from home.

A considerable amount was packed into the five days including a trip to Babbacombe Model Village, Rock-Pooling, Zip Wire and Archery, Coastal Walks, Inter House castle building competitions on the beach and even Forensic Science. In this activity they had to solve the mystery of the stolen painting! A study trip to The Eden Project in Cornwall was another wonderful highlight of the week. The girls explored the rain forest and Mediterranean Biomes with a very knowledgeable guide.

The girls are now using their note books and photographs to create exciting and interesting projects about their trip to Devon.

The fantastic weather helped to make this a wonderful and worthwhile week for staff and girls alike. A huge thank you to Mrs Davey, Mrs Buchanan, Mrs McArthur and Mrs Flint for all their hard work in preparing for and supporting this trip.
