Academic scholarships were awarded by Guildford High School, Sir William Perkins School, Luckley Oakfield, The Abbey School Reading, and Heathfield. In Music there was an award from St George's Ascot.

"The preparation for the examinations is very thorough", commented Mrs Sweeney, Headmistress, "but equally important is helping each girl choose the best school to nurture their independence and prepare them for adult life. Our small size allows us to really get to know the girls individually so that we can help them select a school in which they will thrive. We work hard to get this right and are proud of how well our girls do once they have left Coworth-Flexlands."
