

ENTRANCE TO SENIOR SCHOOLS

We pride ourselves on how well we prepare our children for the next stage of their education and this is reflected in their results. The Headmistress holds regular meetings with parents during Year 4, continuing in Years 5 and 6, to advise on the right selection of senior school for each child.

We feel strongly that all aspects of the child should be thought about before final choices are made. We fervently believe that our primary role is to encourage the correct selection of senior school for each child, based entirely on the needs of that child, but it is the right of the parent to make the final decision.

Heads of girls' senior schools and boys' preparatory schools are regularly invited to address parents at "Which School Next?" meetings.

Our boys leave Coworth-Flexlands at the end of Year 2, aged 7, for their preparatory schools and the girls stay on until the end of Year 6, aged 11.

The list below shows the destinations of our boys and girls over the last few years and scholarships awarded.
