“MFL with UZefa Yf’di d]”

A pupil who left Coworth-Flexlands Year 6 in July 2009 and is presently studying at Guildford High gave Year 6 pupils a flavour of Mandarin Chinese and Spanish. She taught us basic greetings, numbers and colours in both languages. Her presentation was exciting and energetic and her enthusiasm motivated us to continue learning many languages because they are fun and challenging!

Here are some interesting comments about her ‘lesson’:
‘She was great fun and we now know a bit of Spanish and Chinese’,

‘I enjoyed learning some words in Spanish and Chinese, the sounds are difficult but interesting’.
