Inspiring Minds, Nurturing Spirit

Academic Performance Statement

Coworth Flexlands' aim of Inspiring Minds focuses on the academic journey of our pupils. The challenging, investigative curriculum encourages pupils to question the world around them and foster a lifelong love of learning. Pupils are curious to find out more and are afforded endless opportunities for exposure to new and challenging experiences. They are supported to embrace these without fear of failure. Talents are nurtured and pupils are encouraged to follow their passions.

Further information regarding curriculum provision can be found within the School's Curriculum Policy.
